LOCKSMITH SOLUTIONS*

ABOUT US

Brendan Duggan and his team have been providing locksmith solutions and security to Southern Gold Coast and Tweed Heads surrounding areas since 1998. A local family owned business that strives towards maintaining up to date Security Industry knowledge and providing the most affordable and reliable security solutions.

We provide a wide range of services from residential, commercial and automotive services which include but not limited to;

- Isolation & Safety lockout systems
- Restricted key systems
- Access control
- Safes & lock products and installation
- Business safety solutions
- Automotive keys, locks, repairs & replacements

Currently we have two locations, Tweed Heads and Coolangatta with locksmiths traveling as far north as Burleigh Heads and as far South as Byron Bay.

OUR VALUES & MISSION

- Reliability, Honesty, Affordability and Professionalism

Today, locksmiths must be able to meet the changing security and technology demands of the industry. Our mission is to provide fast, effective and affordable solutions.

Bringing security and peace of mind is our mission.

WHAT OUR CLIENTS SAY

"Brendan and the boys responded quickly to my call. They were very professional, polite, helpful and did not rip me off with price !!!!! I would highly recommend Brendan & his boys for any of your security needs!"

Sally Stafford
Customer

"I have used Brendan for many years and have always found his service outstanding. He always answers his phone and when he gives you a time he is always prompt. The job is always done in a professional manner and his charge is very"

Tony Aked
Customer
